

THE FREEMASONS'
GRAND CHARITY

Information Release

9 September 2008

Supporting Charities, Supporting People in Need

The essential work of four charities will benefit from grants which are announced today by The Freemasons' Grand Charity. The grants of £5,000 or less are part of the charity's regular programme of giving to smaller charities throughout England and Wales and their support for people in need.

| CHARITY | PURPOSE OF THE CHARITY | AMOUNT |
|---|---|---------------|
| Different Strokes | Provides information, advice, support and rehabilitation services to younger stroke survivors | £5,000 |
| Childhood Eye Cancer Trust | Provides information and support to individuals and families with Retinoblastoma | £5,000 |
| International Therapeutic Initiative (ITI UK) | Helps adults with neurological conditions to achieve their full potential | £5,000 |
| Epilepsy Bereaved | To support families affected by sudden unexpected death in Epilepsy and other epilepsy deaths | £2,000 |
